

Who would like to **KAHOOT?**

Ms. Melanie Cini

eTwinning Ambassador | Head of Department of P.S.C.D.

St. Nicholas College, Secondary School, Dingli

Malta

What is Kahoot?

- It is a great online gaming learning platform
- Very easy to create, share and play!
- Can be used from PC and also an app downloadable on mobile phones.
- Can be hosted live in class, or as a Challenge included in Microsoft Teams/Google Classroom

What do you need for Kahoot?

- IWB with laptop
- Devices one per student/1 per team; accordingly
- Clear instructions for students on how to play
- If using phones, preferably students have app installed before session.
- Quiz prepared beforehand.

How to I set up a Kahoot Quiz?

- Log <https://create.kahoot.it/> into:
- Create a teacher account, choose free account (unless you want to pay for additional perks)
- Create your Kahoot (choosing 1 or more correct answers), setting time limits etc.

The image shows a screenshot of the Kahoot! login page. At the top, the text "LOG IN" is displayed in blue. Below this, there are two buttons for social login: "Log in with Google" (with the Google logo) and "Log in with Microsoft" (with the Microsoft logo). A horizontal line with the word "or" in the center separates these from the standard login fields. There are two input fields: "Username or email" and "Password". Below the password field is a purple "Log In" button, which is highlighted with a green border. At the bottom of the page, there are two links: "Lost your password?" and "If you are stuck, please [let us know](#)."

How to I set up a Kahoot Quiz?

- Opt if you want it to be seen only by you or discoverable by anyone who uses Kahoot.
- When you are done, decide how you would like to use it.
- Your Kahoot, is saved on your profile for future use.

How Can Kahoot be included in eTwinning?

- Each school comes up with different questions
- Quiz can be used for schools to compete against each other, live or as a challenge

How Can Kahoot be included in eTwinning?

- Through a Kahoot Quiz, the rest of the pupils in schools can be included.
- As part of remote teaching, assessment, evaluation of a project.
