

## How to embed Padlet in your eTwinning project

1. Copy your Padlet's URL
2. Log onto <https://www.etwinning.net>
3. Access your **Project TwinSpace**
4. Click on the **Page** where you want to embed the Padlet
5. Click on the **Edit Mode tool** next to the page name.

6. Once again, click on the **second Edit Mode tool**. This will open the word Editor.

7. Click on the **iFrame** icon.

8. Paste the Padlet's URL in the SRC (URL) field. You can edit the Width, Height and Alignment.

SRC (URL) \*

Width  Height  Alignment

9. Click **OK**

10. Don't forget to Click on **Submit**
